Docket No. 98N-1265

Food and Drug Administration

0728 '99 MAY 18 A85600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

It seems absolutely erratic to
restrict medically necessary
compounded medications across
state lines. Are you concerned
with the well being & health of
women or of promoting
premarin, prempo, & the others
that many have severe reactions
to?
